CLUB NEWS

Well, it finally happened! Mother Nature got the best of us this month and rain cancelled the majority of our activities.

Some of our members, however, really know how to improvise when the weather gets nasty enough to keep your bike in the garage and bring the four wheelers out. Benny Chien is one of those members. Benny's gold Volvo C70 is not a stock car! It has a chip, a full after-market exhaust system, racing springs, torsion bars, performance shocks, after-market racing wheels and tires and a bunch of other goodies, in addition to being lowered and braced. All of this adds up to a car that's a whole lot of fun and really fast. So when the rain keeps your motorcycle in the garage, get your four wheeler out and improvise!

The Club has attracted a number of really talented and capable members. Two of those members, Dan Mole and Steve Rethmeier, have recently reached an agreement with the AMA and Willow Springs International Raceway to promote the final event of the year of the AMA Superbike series on September 29 - October 1, 2000. As you may recall, the AMA race originally scheduled for April of this year was cancelled due to lack of a promoter; and until now, it was pretty much a foregone conclusion that there would be no AMA race at Willow Springs this year. The promotion of an AMA race is no small feat. Dan and Steve will need all the support they can get. Please feel free to drop them a

line to let them know that we appreciate their efforts.

Speaking of racing, if you're looking for rooms and can't find them for the July races at Laguna Seca, try the Monterey Peninsula Reservation Line at (888) 655-3424. According to members of the Club, this is a proven way to find available rooms for the weekend.

The month of March is the time that the Club begins the process of nominating officers for the upcoming fiscal year. Nominations will open at March's dinner meeting, with elections being held at the April dinner meeting. New officers will take office May 1, 2000.

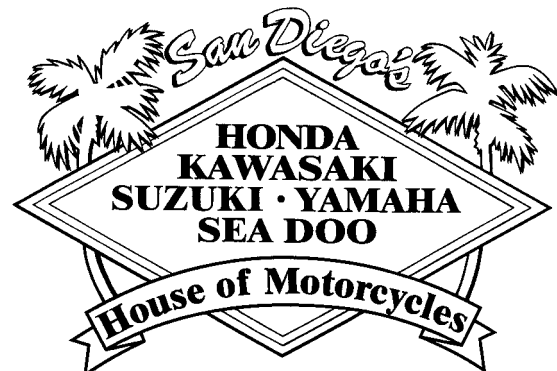

Have you ever wondered why your Club does things a certain way and wanted things to be different? Well, now is the time to have a strong voice in the Club by holding an officer's position. Let's see a good turn out for nominations for officers for the upcoming year!
