APRIL, 2000

THE NEWSLETTER OF THE RED HOT RIDERS CLUB

## CLUB NEWS

We sure are having some beautiful days and on just such a day, the House of Motorcycles held their annual ride to Viejas. Once again, the House of Motorcycles put on a wonderful ride, foregoing the poker run concept in favor of bingo, which was a welcome change.

The ride took members over the back roads to Boulevard and back down Highway 8 to Viejas. Once we arrived, we were ushered into our own specially reserved area for a fabulous brunch and some great tire kicking with our fellow riders. Many thanks to Sean Marie and the other great people at House of Motorcycles!

One of the Club's original members and a true motorcycle enthusiast very much enjoyed the Viejas ride as she does many of the Red Hot Rider events. Judy Krugman enjoys day rides through our scenic mountains as well as weekend rides such as the Greenhorn Tour. This September, Judy will be joining her husband, Ed, and about 600 other riders on the SCMA's 25th Annual Three Flags Classic tour which will leave Tijuana, Mexico on September 1 & finish five days later in Edmonton, Canada. All told, Judy will ride almost 5,000 on her favorite VFR in approximately ten days! If you haven't met Judy, next time you see her strike up a conversation. We promise you'll find it interesting.

This is a great time of the year to be thinking about a new bike. Those new models that everybody's been waiting for are now starting to show up on the House of Motorcycles' showroom floor. One of the new models, Honda's 929, is unfortunately already sold out, with buyers having to wait for the next shipment. Honda's other new arrival, the RC51, is expected to arrive in the latter part of this month.

The Red Hot Riders need your help. Officers' elections will be held at the April meeting, and we need people to fill those positions. Please contact Ken Rogers prior to the meeting if you are interested in helping out.

With the riding season upon us, the Club is planning some fun events. See this month's Schedule of Events for dates and times.
