THE NEWSLETTER OF THE RED HOT RIDERS CLUB

CLUB NEWS

As all our members know, we are a very active club having two to four activities each month. Everyone should know that these activities do not take place without a lot of work from the Club officers. We sincerely appreciate all of those who do volunteer their time and energy to make the Red Hot Riders the Club it is today.

At the April general meeting, the Club elected new officers for the upcoming year. We would like to congratulate and welcome the following officers: President - Ken Rogers, Vice President - Jim Branch, Secretary & Webmaster - Michael Gorga, Treasurer - Ed Krugman, Legislative Officer - Andy Mansker, Referee - Rached Maalouf, Membership Chairman - Eric Levy, Activities Chairman - Armando Soto, Publications & Merchandise Chairman - Pamela Rogers, Rider Education - Mitch Van Linge and HRCA Liaison - Keith Knapp. The Club's new officers have already held their first meeting and have some great new ideas and activities in store for us during the coming year.

Many of our members know Jim Branch, our new Club Vice President. However, most of you who know Jim know that he had ordered a brand new F4 Augusta. So you can understand our surprise when we heard that Jim was recently seen atop a brand new RC-51. It seems

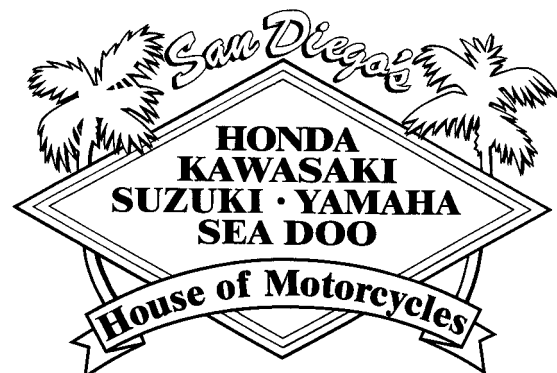

that the Augusta took a slow boat to China. With a current delivery date four to five months away, Jim simply got tired of not having a sports bike in his garage. His initial impression of the new Honda is great; and he'll have more feedback after the Club's Track Day at the Streets of Willow Springs.

As you can see on the Schedule of Events, we have a diverse group of activities planned for the month of May. We have touring, cruising & sport riding events in addition to our dinner meeting. One of the things that will help make these events the very best that they can be is for you to be a part of them. We all love riding our motorcycles, but tire kicking with friends makes motorcycling even more fun. So plan to participate in the upcoming events - don't miss all the fun!!
