JULY, 2000

THE NEWSLETTER OF THE RED HOT RIDERS CLUB

## CLUB STUFF

Thanks to everyone who attended last month's dinner meeting! It's always great to enjoy the camaraderie of so many fellow Club members and motorcyclists. We also learned a lot about the Sidi boot line.

Unfortunately, our ride for last month to Idyllwild was rained out. As you will learn from checking out the calendar, it is back on the schedule for this month. Be sure you don't miss this one.

I know many of our members are looking forward to attending the World and AMA Superbike Races in Laguna Seca during the month of July. With the big boys from both sides of the ocean sharing the same venue, it should prove to be a most exciting weekend. Be sure to wear your Red Hot Rider clothing so fellow Club members can find you easier. We'll see you there.

The Club's Activities Director, Armando Soto, is our featured member for July. Armando loves motorcycling so much that he even made it his business. After years of banging out a living like most of us do, Armando said "enough is enough" and decided that the quality of life is more important. So he opened his new business detailing motorcycles. In just a short time, Armando has been able to develop a large following of dedicated customers, including many Club members.

We all know that one of the most important aspects to selling a motorcycle is making it look clean and shiny. Pictured here is Armando detailing a member's bike for sale. The owner (or we should say, previous owner) of this particular motorcycle can certainly attest to the fact that it works! So if you're planning to sell your motorcycle or just want it to look great, give Armando a call - he's in the book.

Armando is also hard at work developing activities for Club members to enjoy. His Idyllwild ride should prove to be lots of fun. Your help with suggestions for future rides or other activities would be much appreciated.
